

Dear Prospective Sponsor,

We are the Owasso Rams Swim Team Booster Club and we are a 501-(c)-(3) not-for-profit organization. The Owasso High School swim program started in 1993 with only 4 swimmers. Since then we have grown to over 40 swimmers and continue to grow. Last year, 15 of our swimmers qualified for the State Meet! The 2016-2017 swim season is going to be our best one yet! We have a new highly motivated and talented coach who brings with him years of experience and state-of-the-art instruction. We also have an Olympic Time Trial qualifier as our Assistant Coach. Exciting times are ahead for this program. But we need your help!!!

Owasso High School does not have a pool; therefore most of the school's budget for the swim team is spent on pool rental and transportation to an offsite facility. Much more is needed to run a quality swim program. However, the most important thing that your contribution provides is support for a program that fosters positive character and development in our athletes! To accomplish this we need your financial support. **Please refer to the attached sheet for the levels of sponsorship available.**

We truly appreciate your consideration. Please feel free to contact me with any questions or concerns. We look forward to partnering with you.

Respectfully yours,

Owasso Swim Team Booster Club
